ORDER HITS 60 IN AIR SERVICE

Gen. Menoher Denies 1,349 Officers Will Be Dropped Or Demoted.
AFFECTS 5 PER CENT
Aerial Force Trimmed in Size in Same Proportion As Other Branches.

Under recommendations made to the War Department by Maj. Gen. Charles T. Menoher, director of the air service, only about sixty men are to be dropped or demoted at once, according to a statement issued last night.

General Menoher states that, while the bureau employs 1,100 officers, only 5 per cent of the total number will be affected, as he deems this the greatest cut in personnel which can be made at this time, and still maintain the morale of the department.

Plans Gradual Reduction.
Gen. Menoher states that discharge of surplus emergency officers can be spared, reduction of the number of air service officers on duty, and discharge of regular officers in accordance with policies outlined by the War Department, are provided by the orders he received in relation to the demotion and cutting down of the personnel of the aircraft division.

"There will," he says, "be, to some extent, a reduction in the commissioned personnel of the Air Service on duty in Washington, and the demotion of a certain number of regular army officers in the Air Service."

Effect on Morale Slight.
"The Air Service presumably is affected by these policies of the War Department no more nor less than any other bureau or branch of the service. The percentage of officers affected is small in comparison to the total number of officers, both regular and temporary, now in the Air Service."

The action to be taken has been anticipated, not alone in the Air Service, but in the entire army, since last October, and there is no reason for apprehension that it will result in any disorganization of the Air Service. It will affect the morale of the Air Service officers to some extent, but again to no greater extent than will similar action to other bureaus.

Postponement until March 23, of the public hearing before the Public Utilities Commission of the District, on the application of the Washington Railway and Electric Company for increased fares, was announced yesterday afternoon by Walter C. Allen, executive secretary of the commission. The hearing had been set for March 18.

A raise from the present rate of four tickets for a quarter to a straight cash fare of seven cents, with additional charge of two cents for transfers, is asked by the railway company.

WITH BEST BIRTHDAY WISHES

REAR ADMIRAL H. T. B. HARRIS.
Retired, who served for a number of years as paymaster general of the navy, reached his seventy-fifth birthday today. Harris is a veteran of the civil war, in which he served as a volunteer in the navy. He has seen nearly twenty years' sea service and held a number of important assignments. He participated in the Northern China campaign and Philippine insurrection. His rank as rear admiral dates from July 1, 1902. He lives at 1708 Rhode Island avenue.

HOOVER M. ZOOK.
For twelve years associated with the Sidney West Company, will celebrate his thirty-fifth birthday today. Zook confided last night that he had no plans for a celebration today but unless past experiences fail he will receive some pleasant surprise before midnight. He is a member of the Board of Trade, the City Club, is married, has a son and lives at 4703 Georgia avenue northwest.

REP. WILLARD W. LUFKIN.
Of Massachusetts, who resides at 2506 Cliffbourne place, will celebrate his forty-first birthday today. Lufkin was private secretary to Representative Augustus P. Gardner, of Massachusetts, for fifteen years. Upon Representative Gardner's resignation to become a lieutenant colonel in the Officers' Reserve Corps, Lufkin was elected to the Sixty-sixth Congress. He was born in Essex, Mass., is married and has four children.

UPSETS LIKELY IN FALL VOTING

Activity of Organized Labor And Liberals, Muddles Situation.
The President elected next fall may enter office with Congress hostile to him or with his party in control of the House and Senate by a majority of only one or two votes.

This prediction is based upon several factors expected to figure in the Congressional elections. Among them are the threatened move by organized labor to defeat members of the House coming up for reelection who are on the "black list" of the Federation of Labor, the activity of the liquor forces, the woman vote and other disturbing issues.

The liquor forces favor the election of liberals who will support a more liberal construction of the Volstead act.

Republican Leaders Worried.
Congressional leaders point out that if the labor and liquor elements carry out their announced threats to disregard party lines and use the bloc system, supporting all candidates who agree with their plans, such tactics easily might dislodge the Republican majority in the Senate, now an insecure margin of two votes. At the coming elections thirty-three Senators are to be elected, one at a special election in Alabama as successor to the late Senator Bankhead.

Members of Congressional Committees predict that few gains will be made by either party in the Congressional elections. Democrats are in possession of eighteen of the thirty-three seats in the Senate to be filled in November, and are confident of holding their present number and gaining in Missouri and Ohio.

According to Representative Fess, of Ohio, chairman of the Republican Congressional Committee, the Republicans expect to gain Senate seats in Oregon, South Dakota, California and Colorado.

Breckinridge Long, Third Assistant Secretary of State, is a candidate for the Senate in Missouri, with indications that he will win. Champ Clark, who is undecided whether to seek the Democratic nomination for President, or election to the Senate, is expected to retain his seat in the House if he decides not to enter the Presidential or Senatorial race.

HEALTH HEAD TAKES OFFICE

Cumming Will Assume Duties as Surgeon General Today.
Dr. Hugh S. Cumming, who has just returned from Europe, where he has been studying sanitary conditions obtaining at embarkation points, was yesterday sworn in as Surgeon General of the United States Public Health Service. The ceremony took place in the office of the Secretary of the Treasury, the oath being administered by S. H. Marks, assistant chief clerk of the department.

Secretary Houston was the first of the officials present to congratulate the new Surgeon General and to wish him success in administration of what is rapidly expanding into one of the most important branches of the government service. Surgeon General Cumming will assume the duties of his office this morning, relieving Dr. J. C. Perry, who has been acting Surgeon General in the interim between the former's appointment and his arrival in Washington. Dr. Cumming has been appointed for a term of five years, and is faced with the gigantic task of providing hospitalization for the thousands of ex-servicemen who were disabled by disease or otherwise in the world war.

On the eve of his departure for Baltimore to become pastor of St. Peter's Church, the Rev. James W. Smith, for nineteen years assistant pastor of St. Patrick's Church, will be given a farewell reception tomorrow night at 8:30 o'clock in Carroll Hall, G street northwest, between Ninth and Tenth streets, by members of the congregation.

Senator Thomas J. Walsh of Montana and Judge M. M. Doyle of the Municipal Court, will speak. The Rev. Mr. Smith will be presented with a purse.

He receives his new appointment, which will make him the youngest Catholic pastor in Baltimore, from Cardinal Gibbons. He is 43 years old.

Not a Chance for Hubby To Re-Collect Alimony
New York, March 9.—Once alimony has been paid by a man to his wife he has about as much chance of getting it back as a snowball has in July. Supreme Court Justice Bijur made that clear today, although not in these words.

Dr. Abraham M. Averett sought to recover alimony paid to his wife, Mrs. Birdie Averett, at the rate of \$60 a week, on the ground that the separation had been set aside. The decision was against him.

32 MILLIONS TO NEAR EAST

U. S. Gave Liberally During 1919 to Relieve Suffering, Report Shows.
America contributed \$32,324,615.39 to relieve suffering during the past year in the Near East, Mrs. Cabot Stevens of the local committee of the National Near East Relief organization, announced last night.

A total of 552 workers was sent to the stricken countries. Fifteen shiploads of supplies were provided. Fifty-four relief stations, 194 orphanages and 44 hospitals—the latter treating monthly 148,728 clinic cases—and 16 homes for women rescued from Moslem harems were established.

No money contributed for relief purposes was used to defray expenses.

The National Near East Relief Committee is engaged in raising a \$5,000,000 fund. Washington is expected to contribute \$100,000, of which \$30,000 already has been subscribed, at 315 Fifteenth street northwest.

FAREWELL FOR FATHER SMITH
On the eve of his departure for Baltimore to become pastor of St. Peter's Church, the Rev. James W. Smith, for nineteen years assistant pastor of St. Patrick's Church, will be given a farewell reception tomorrow night at 8:30 o'clock in Carroll Hall, G street northwest, between Ninth and Tenth streets, by members of the congregation.

Senator Thomas J. Walsh of Montana and Judge M. M. Doyle of the Municipal Court, will speak. The Rev. Mr. Smith will be presented with a purse.

He receives his new appointment, which will make him the youngest Catholic pastor in Baltimore, from Cardinal Gibbons. He is 43 years old.

TENANT WINS RENT DEBATE

Commission Makes Drastic Cut in \$70 Rate; \$40 Fair.
OTHER CASES HEARD
Monmouth Hotel Argument With 110 Complainants, Postponed Two Weeks.

General relief from profiteering landlords was foreshadowed by a decision announced yesterday which declared the rental of \$70 charged for a two-room furnished apartment with kitchen and bath at 914 New York avenue was excessive. The rent was fixed at \$40 a month. The rent was fixed at \$40 a month, that the commission has made, in answer to the complaint of the three tenants, Edna G. and Estha, H. Oram and Eva Wiley, denied that the rent charged was excessive.

Other Decisions Pending.
No other decisions were made by the commission yesterday. The Monmouth Hotel case, in which there are 110 complainants, was postponed until March 24, a motion to postpone until the owner's return from Europe being denied.

In another case a question of jurisdiction was raised. Mrs. Margaret A. Rice, the complainant, alleged that the F. H. Smith Company, agents, had served notice she must vacate her apartment at 3153 M. Pleasant street or pay an increase of from \$40 to \$65 in rental, and asked the commission to determine a fair rental. The defendants filed a demurrer, contending the commission had no jurisdiction until the increase became effective. The commission overruled the demurrer and heard the evidence. The decision will be announced later.

Files Suit for Rehearing.
Lieut. A. R. Duvall yesterday filed a petition for a rehearing of the case decided by the commission March 3, when it was held that Duvall entered into a contract with R. Lee Galt, Jr., freely and voluntarily. Galt pays \$55 a month for the unfurnished apartment and rents it to Duvall, partly furnished, for \$125 a month. The motion for rehearing recites that the commission "wholly failed to determine, as provided in the act under which it was created, the fairness and reasonableness of the rental." The motion will be heard Monday.

HOME INMATES OUT OF DANGER

Aged Hebrews Recover From Effects of Smoke and Exposure at Fire.
Although exposed to severe shock, and almost overcome by smoke, all of the sixteen inmates of the Hebrew Home for the Aged, 415 M street, who escaped when fire broke out early yesterday morning, were said last night to be little the worse for their experience.

All but one of the inmates, whose average age is over 70, returned to the home last night. B. Sheines, 72 years old and lame, who was taken to Emergency Hospital, will return this morning.

Damage done by the fire is estimated at \$4,000, mostly to floors, wall-paper and furniture. Steps will be taken to repair the damage at once. M. Garfinkle, president of the home, announced.

Sons of Confederates Hear Upshaw Address
"Confederate veterans are entitled to the handclasp of Uncle Sam for their record of fifty years of unswerving loyalty to the country," Representative William D. Upshaw, Georgia, declared last night, urging support for his Confederate pension bill, at the regular meeting of the Washington Camp, Sons of Confederate Veterans, at the Confederate Memorial Home.

Thousands Pay Last Tribute to Gaby Deslys; Parisians Cover Her Hearse With Flowers

Paris, March 9.—Thousands of Parisians turned out to pay their last tribute to Gaby Deslys when the funeral cortege of the world-famed actress passed through the streets of Paris. The picture shows the hearse practically hidden with flowers, with inset picture of Gaby.
